### The Store of GENUINE Bargains

In these days of careless and exaggerated advertising, it is a comfort to buy in a store whose public announcements are absolutely truthful, and where merchandise is exactly as represented.

This strong, aggressive organization needs no subterfuge in presenting the bargains secured daily by the work and skill of its powerful force of buyers. It is for the weaker stores, seeking to appear to have equal offerings, to make claims that cause disappointment.

At GREENHUT'S the bargains are GENUINE. They MUST BE, else we would get stronger buyers—for what spot cash, knowledge of the market, shrewdness and highest merchandising skill can secure MUST come to GREENHUT'S.

THAT is the daily service that we must render to our public, else there would be no reason for our existence. This is why prices are always LOWER at GREENHUT'S.
